

MARYLAND CENTER FOR HISTORY AND CULTURE

Subject Guide to the McKeldin-Jackson Project, 1969-1977

The following guide has been prepared to provide some direction for research in the main subject areas of the McKeldin-Jackson Project. This is by no means an exhaustive list.

Further exploration of all interviews is suggested, particularly by use of the name indexes available for many of the oral histories as well as the interview summaries located on the McKeldin-Jackson Oral History Project inventory.
